

SKY 1

Urban Made Electric

SKY1

The Sky1 is a compact electric SUV designed for urban agility and efficient daily travel.

It delivers up to 120kW (163hp) via a front-wheel-drive electric motor, offering a 530km CLTC range and fast charging in under 30 minutes.

The exterior features clean SUV proportions with sleek LED lighting and hidden door handles.

Inside, it offers premium tech: dual screens, ambient lighting, and smart connectivity.

This SUV blends compact size, electric efficiency, and city-smart features into one capable ride.
