

VOYAH PASSION

Performance Meets Passion

The Voyah Passion is a full-size electric sedan built for speed, elegance, and smart driving. It delivers up to 510 horsepower with a dual-motor all-wheel-drive system and accelerates from 0 to 100 km/h in 3.8 seconds.

The body is sculpted for aerodynamics and quiet performance. The cabin offers comfort, tech, and premium materials. It rides smooth on highways, stable through corners, and quiet in city traffic.

This vehicle blends electric power, refined design, and intelligent features into one seamless package.
